We also have vases available with engraved message plates, making our roses the most unique and memorable gift you can give. Feel free to call us at any time with any questions you may have. ## A Real Rose That Lasts A Lifetime

Say "*I Love You*" with a *real* rose preserved forever that is:

- trimmed and coated in *24k gold, silver or platinum*.
- available in several colors, each having different meanings and representing different birthmonths.
- personalized on the petal to *speak your loving words*.

A rose symbolizes love and beauty. Love is one of the most influential emotions we feel on a day to day basis. Feeling it makes us feel wanted, needed, and appreciated. Beauty, for the woman, is sought after everyday. She just wants to look and feel beautiful. A personalized preserved rose gives you the chance to show her your forever love and your admiration of her beauty through symbolism and your own words. It's a gift that will find a place in her heart to stay.

## **Gold Roses - Silver Roses - Platinum Roses**

A rose symbolizes love and beauty, but a fresh one will wither and die, unlike our gold rose! Also, the precious gold of the earth each flower is made with, symbolizes richness and power. Show her how rich and powerful your love is with our gold roses!

These fresh-cut roses are grown in the U.S.A. Then, through a process that takes over 50 steps, they are preserved in genuine 24k gold, silver or platinum. They are great for creative anniversary gifts, birthdays, Valentine's Day, Mother's Day, Christmas or just to say I love you. No matter what the occasion is, a Gold Rose is the perfect gesture of love.

We have two main collections to choose from. Our entirely dipped roses and our trimmed roses. The dipped rose collection includes Pure 24k Gold Dipped Roses, Sterling Silver Dipped Roses, and Pure Platinum Dipped Roses. All of these roses are completely preserved in the precious metal leaving no natural petal color. This gives you the pure bling factor which lots of women love! If you think she would prefer a more natural look, then choose from our trimmed rose collection.
